# "Animals, animals, animals!!!"

## CALL FOR ART

**On January 20, 2018 the UPTOWN Gallery would be honored to have you submit 3-5 pieces of your latest artwork depicting any ANIMALS: Birds, Reptiles, Bugs, etc. of your choice. Fun pieces, serious pieces, or your favorite pet. Or anything that you think appropriate to the guided theme. You may have created a fun cartoon or a serious portrait. You may have had a horse, dog, cat, goldfish or maybe a trip to the zoo.**

**The artwork must be submitted on January 20, 2018, between 10:00 a.m. and 2:00 p.m. Be creative and have fun. All mediums are welcome, including 3-D art if you have any. We do have new display cases to lock smaller items up in (for security) courtesy of The Hernando County Fine Arts Council Grant.**

**All artwork should be gallery ready to hang, with a wire securely attach to the back of the work. A card should be attached to the back or bottom of your work with your name, the medium you used, and the price you want for your work. If the piece is not for sale, please state that also. Student work is welcome.**

**Please note: The pick-up date for the Historic Views and Holiday Magic will be January 20, 2018 from 10:00a.m. through 2:00p.m.**
