**ADDENDUM #5**  
**Date Issued – June 14, 2018**

\*\*\*\*\*

TO: All prospective proposers:

This addendum is being issued to clarify or address the following questions regarding Addendum 3:

**Correction/Clarification/Questions:**

1. In perusing the Bid Documents for the Howell Ave project, I couldn't find the answers to the following:

- 1-Number of days for Substantial & Final Completion \_\_\_\_\_
- 2-Amount of Liquidated Damages \_\_\_\_\_

**In Addendum #2, the schedule was specified to be 180 days or less. Pursuant to direction from the City, the schedule for completion is hereby revised as follows:**

**Substantial Completion is 120 days from Notice to Proceed (NTP) with liquidated damages at \$500 per day.**

**Final Completion is 134 days from Notice to Proceed (NTP) with liquidated damages at \$500 per day.**

**This sidewalk is heavily used by school children going to and from the elementary school and high school. The City wishes to see the project finished in as short a time frame as possible. The sidewalk/bridge project cannot be considered substantially complete until the area is safe and functional for vehicles, pedestrians and especially the children. This requires all sidewalk and bridge construction to be complete, the site restored and all construction materials and equipment removed from the project site so as to leave no attractive hazard.**

**The Contractor is hereby made aware of the propensity of children to utilize this path and advised that extra caution should be exercised in ensuring that the site and equipment is maintained in a safe and secure manner.**

ADDENDUM #5 – PW2018-02 – ISSUED 6/14/18

**This is the final Addendum that will be issued on the project. No additional questions will be addressed.**

Acknowledge receipt of the Addendum #5 by signing the document and attaching to Proposal Documents submitted. Failure to do so may subject the proposer to disqualification.
